

CABLEITUK Heavy Duty Triple Corner Cable Roller

Heavy duty triple corner cable roller for use in most cable laying applications and for cables up to 130mm. These can be used singularly or linked together using link pins to form a full bend. All of the bend roller range have the same link points to facilitate various bend/roller configurations.

- Heavy duty corner roller from tubular sections
- 3 off 110mm diameter large waisted steel rollers
- Sealed roller bearing fitted
- Zinc plated finish
- Universal link pin mount positions
